Felicia is a dedicated Holistic Health and Wellness Practitioner and Coach, Reiki Master, Intuitive Energy Healer, and Past Trauma Healing Specialist. With a wealth of experience and a heart full of compassion, Felicia has made it her life's mission to guide others on their journey toward holistic healing and self-discovery. As a Transformation Life Coach, Public Health and Wellness Speaker, and Philanthropist, she is deeply committed to empowering individuals and communities to overcome life's challenges and thrive.

Felicia's educational background is rooted in her profound commitment to healing and wellness. She has completed extensive training at the Natural Healer Institute, Ascension Academy, and The Centre for Healing; all of which are board-certified, accredited institutions with the American Association and International Natural Healers Associations. She is also certified by the Complementary Therapist Accredited Association of Drugless Practitioners, which further solidifies her expertise in holistic health practices.

As a Reiki Master and Intuitive Energy Healer, Felicia uses her knowledge to help clients release blockages, restore balance, and harness their innate healing abilities. Her work as a Past Trauma Healing Specialist is particularly close to her heart, as she draws from her own experiences of overcoming mental, physical, emotional, and spiritual trauma. Felicia's unique approach integrates a variety of healing modalities, empowering her clients to transform their pain into power.

Beyond her professional achievements, Felicia is a proud mother of four. Her personal journey of overcoming trauma and adversity has fueled her passion for helping others find peace and fulfillment. She believes in the transformative power of unconditional love and is dedicated to leading others to experience their own version of heaven on earth.

Felicia is also a respected Community Leader and Philanthropist, actively involved in initiatives that give back to those in need. Her work extends beyond individual healing; she is passionate about fostering resilience and well-being within her community. Through her public speaking engagements, she shares her knowledge and experiences, inspiring others to embrace their own healing journeys.

Felicia Henderson is not just a healer, she is a beacon of hope, guiding others to a life of health, happiness, and wholeness. Whether through one-on-one sessions, public speaking, or community service, Felicia is unwavering in her commitment to helping others achieve their highest potential.
